FLOORDESIGN COLLECTION

COLLECTION N°

1

MADE IN ITALY

INTRODUZIONE

La prima collezione della FLOORDESIGN® nasce nel 1970 disegnata da Architetti e Stilisti italiani di fama internazionale.

Da allora ad oggi si è arricchita di molti disegni dai differenti stili, che rappresentano le tendenze dei vari periodi e testimoniano l'internazionalità della collezione.

Per non rinunciare al piacere di offrire la più vasta gamma in assoluto di disegni (182) e varianti colore (1300), abbiamo pensato, per ragioni di economicità produttive, di suddividerli come segue:

Catalogo	Tipo/ sistema di stampa	Numero colori per disegno	Numero disegni	Minimo d'ordine
Coll. nr. 1	Chimico/cilindri	2	40	100 mq
Coll. nr. 2	Chimico/ computerizzata	4 / 8	37	100 mq
Coll. nr. 3	Chimico/cilindri	3 / 5	45	400 mq
Coll. nr. 4	Chimico/cilindri	6 / 8	60	800 mq

INTRODUCTION

The first FLOORDESIGN® collection was born in 1970 designed by Italian Architects and Designers of worldwide fame.

Since then on it was enriched with many designs of different styles, which represent the trends of several times and testify the internationality of the collection.

In order to not renounce to the pleasure of offering the absolutely widest range of designs (182) and colours (1300), we thought to divide them as follows, due to production economy:

Catalogue	Type / print system	Colours number per design	Designs number	Minimum order
Coll. nr. 1	Chemical/cylinders	2	40	100 s. qm
Coll. nr. 2	Chemical/ computerized	4 / 8	37	100 s. qm
Coll. nr. 3	Chemical/cylinders	3 / 5	45	400 s. qm
Coll. nr. 4	Chemical/cylinders	6 / 8	60	800 s. qm
